nuove maniglie in profilo di alluminio
new aluminium profile handles

MB09169

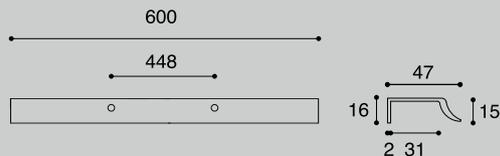

MB09170

Maniglie con profilo a "L" in alluminio. Con applicazione in orizzontale per cassetti/ante e in verticale per armadi.

Queste nuove maniglie, se applicate in coppia, creano un diverso design sul mobile.

Il fissaggio è con viti mordenti sul retro.

Aluminium "L" profile handles. Application in horizontal for drawers/doors and vertical for wardrobes.

These new handles, when coupled, they create a different design on the furniture.

Fixing with screws on the back.

Finiture:
