

- a versatile wet & dry vacuum cleaner in a compact design

The Multi II is a good companion to the "Do it yourself" person in any house.

It is also a good second vacuum cleaner dedicated to dirt and debris inside as well as outside the house.

The Multi II - the second generation of Multipurpose vacuum cleaners - offer a filter cleaning indicator on all models. This is a warning telling you that the vacuum is loosing performance and it is about time to clean or replace the filter.

- Filter clean indicator for continued high performance
- Sturdy build with a robust 1200 W engine for long life
- High suction power for efficient cleaning
- Blow function provides another option for cleaning
- 22 l container with good net filling capacity
- Polypropylene container for easy cleaning
