

The handy high pressure washer with plenty of power. The best for basic outdoor cleaning task

The best performing model of the compact high pressure washers. It offers a maximum pressure of 125 bar and increased waterflow - ideal for cleaning moderate to tough dirt from surfaces.

Perfect for cleaning of your small to medium sized patio, fence or other surfaces up to 30 m²/ hour. A handy helper for car, bike or garden furniture washing.

It comes with a hose reel for tidy storage of the hose which, together with the compact design, makes it easy to stow away when not in use. Another practical feature is the convenient storage of nozzles, lance and spray handle on the machine.

To increase performance, this Nilfisk comes with Click&Clean connectivity for a range of optional accessories.

- 125 bar max pressure
- Aluminum pump for high durability
- Handles moderate to tough dirt on surfaces up to 30 m²/ hour
- Choice of Tornado PR (pressure regulation) or Powerspeed (high impact) nozzles
- 6m high-pressure hose
- Click&Clean connectivity for accessories
- Compact and easy to use, move around and store
- The X-TRA model features a built-in trolley for increased mobility
