## Indicazioni di montaggio / Mounting Indication

Le dimensioni dell'attuatore e della serratura automatica permettono il montaggio solo su infissi con telaio maggiorato o con una tubolarità tale da poter contenere gli ingombri indicati nell'immagine.

The dimensions of the actuator and of the automatic lock permit the installation only on enlarged profiles or on tubular profiles that can comply with the dimensions indicated in the picture.

Per le portate dell'infisso fare riferimento alle indicazioni riguardanti gli accessori sopra indicati che si decide di utilizzare.  
For window load capacity, refer to indications on the above-mentioned accessories that you decide to use.

\* Il SIMPLE PLUS deve sempre essere libero dal suo riscontro di battuta anche quando l'anta è al massimo della sua apertura.  
Questo articolo funge solo da sicurezza nel caso di rottura catena.  
The SIMPLE PLUS should always be free from its abutment even when the door is at its maximum aperture.  
This article only serves as a safety in case of chain breakage.
